

PROVA A

My job is a long distance from my home, almost 50 miles away. I have to wake up early every morning, as I'm always in a rush. There's never enough time for a relaxed breakfast. At exactly 6:00 AM, I get into my car and start the long drive.

A handwritten signature in black ink, consisting of several loops and a long tail, positioned at the bottom of the page.

PROVA B

I usually like driving on the highway more than in the city. During the morning rush hour, though, it's not very enjoyable. The heavy traffic is a little bit annoying. So I always listen to my favorite classical music CD's in the car – Chopin, Mozart, and Bach. That cheers me up a lot.

The image shows three handwritten signatures in black ink. The signature on the left is a large, stylized 'F' with a loop at the bottom. The signature in the middle is a cursive 'G' with a long vertical tail. The signature on the right is a cursive 'D' with a long vertical tail.

PROVA C

The drive to work takes about one hour. Going back home in the evening after work takes even longer, maybe around 70 minutes. Lately I've been thinking about trying to take the train to work instead of driving. That way, I could still listen to my music with headphones, and even read a novel at the same time.
